At Western Financial Group, we specialize in working with Councils to tailor make products to meet the needs of their members. Western Financial Group is a leading insurance provider and the largest insurance broker in Western Canada.

With the endorsement of CCBC and in partnership with a leading Canadian Insurer, we have designed an Insurance Program with you in mind.

To enable us to satisfy your insurance requirements we have customized 2 options, which can be further amended to meet your individual needs. We can also design a policy specifically to protect your business.

We offer several payment options including a monthly payment plan. We are also committed in our service and guarantee. Please review the options below and contact us for further information.
